

ANNEX 2 COUNCIL MINUTES OF 8th AUGUST

PARISH WILLAND COUNCIL

Meeting of Allotment Sub-Committee 15 July 1991

On Site of Allotment at 7.30 pm.

Present: Mr J L Spearing (Chairman), Mrs B D Graham, Mr R G Vile,
Mr E D Dennis.

Apologies: Mr H R Saunders.

The committee felt that a radical review should be undertaken with a view to containing the allotments to that part of the ground from the entrance on the B3181 to the Jaycroft hedge. To achieve this, the following recommendations were made:-

1. New lets should allocated to that end.
2. Messrs Westcott & Son be asked for a quote to:-
 - a. Cut all plots not used this year,
 - b. Trim all hedges.

Once this work has been completed further consideration should be given to:-

- a. Moving existing holders furthest from Jaycroft to new plots and, if need be, prepare the new plot for them. Five present holders could be involved.
- b. Move the existing double gate in Jaycroft to the centre of the land. making it possible to have an entry point to all plots.
- c. Making smaller plots available in an effort to let them.
